There is no respect, no regard for posted signs nor private property.

How was your Christmas, CM Ryu? I understand you paid us a visit.

Just shouted at a guy, going pee in my neighbors yard, "What are you doing?! You can't take a piss in my neighbors lawn!!" He replies, shouting "Sorry, I didn't know!" WTF.. Who raised that loser. Sorry no pics, I was in the moment. lol

Kindly see attached. This motion has been on file, how can we get this enacted? This holiday season has been far worse than any we have ever seen.
